Description

Brake chamber (MT-076.432-30A)

brake chamber

Brake chamber for commercial vehicles and machinery

The Brake chamber (MT-076.432-30A) (item no. MT-076.432-30A) is a brake chamber made for commercial vehicles and machinery. A leaking chamber, a damaged diaphragm or a weak spring reduces braking force, so replace a faulty unit promptly. Check the size, thread and stroke before fitting. Before ordering, check the fit by item number, vehicle model and year of manufacture.

Key Benefits

- Actuating element of the air brake system
- Identified by size, thread and stroke
- Direct replacement for the old chamber
- Identified by item number: MT-076.432-30A
- Also identified by OE number
