Description

Scania crankcase breather filter

Scania · crankcase breather filter

Filter for Scania vehicles

The Scania crankcase breather filter (item no. MT-1.10790) is a crankcase breather filter made for Scania vehicles. A regularly replaced filter protects the engine and system components from contamination; replace it according to the manufacturer's service schedule. Before ordering, check the fit by item number, vehicle model and year of manufacture.

Key Benefits

Protects the system from

contamination

For regular maintenance

Direct replacement for the old filter
